TÓTH Lili Anna (HUN)

Cross Country U20 Women Final - Second 13:58.02

I am very satisfied with my 2nd place because I got injured in Grosseto ECH this year where I wanted to get a gold medal at 3000m steeplechase but I felt at the race. I have changed a coach and worked harder after my injury and I wanted to finish in the top 10 (last time at the ECH crosscountry, 2 years ago, I finished 28th). Now I have a silver medal so I wanted to say thank you to everybody for their support.

DATTKE Miriam (GER)

Cross Country U20 Women Final - Third 14:02.29

I had to do the pace of the race because nobody didn't want to do it in the first laps and it was not in my plans. Later I had to fight for the 3rd place because other girls are very strong but I am very happy and satisfied that I got the bronze medal at the end.

KNOWLES-JONES Harriet (GBR)

Cross Country U20 Women Final - Winner 13:47.41

It was my last European Cross Country Championships as a junior that is why I really wanted to reach for a gold medal. I worked for this title the whole season. I was so thrilled at the finish line and screamed 'I did it'. I immediately hugged my mom who was celebrating with me. I am so happy she saw me to win, as a former runner she is a huge support for me and always gives me great advices. I loved the course here in Samorin, it was my favourite one comparing to the previous Cross Country Championships. I am very satisfied and with upcoming summer season I will be competing on 1500 m and 5000 m.

BARBAROS Ramazan (TUR)

Cross Country U20 Men Final - Second 18:40.20

It is a great honor for me that I won a silver medal - the first medal at European Cross Country Championships in junior category for Turkey ever - at such a top event. In the beginning I was running in the middle of runners as I did not feel very well - I had a pain in my stomach. However, I managed to speed up and I am very glad I reached the silver medal. Now I will go sleep, no celebration for me as I am totally destroyed (laugh).

INGEBRIGTSEN Jakob (NOR)

Cross Country U20 Men Final - Winner 18:38.23

So happy to win this race, satisfied with my time. Last year I won a gold medal as well, however this year I feel much stonger than last year. I have noticed some fights during the race, guys were watching me but I felt released I could make the effort to speed up at the end and win. Happy to see my brother at the race, too and feel his support.

GILAVERT Louis (FRA)

Cross Country U20 Men Final - Bronze 18:44.54

The race was not very fast, mostly the first 2 laps, I expected to run faster and get better time at the finish line but the most important is that I got the medal and 3rd place is great. As a team we feel very disappointed because we really wanted to finish 1st and the 2nd place is not satisfying for me and my teammates.

KLOSTERHALFEN Konstanze (GER)

Cross Country U23 Women Final - Second 20:24.07

I knew that my teammate from Germany, Alina Reh, was very fit and I expected we could run together and work on the pace of the race. Last 100m she had more power to speed up and won. I am very satisfied with the silver medal, I knew that Alina is a long distance runner and it didn't surprise me that she won because conditions and the length of the course suit more for her. The course is very beautiful, I enjoyed the race even though it was cold and windy.

REH Alina (GER)

Cross Country U23 Women Final - Gold 20:21.99

During the first and fourth lap I was controlling the position of Jessica Judd. I know she is a fast runner so I wanted to be sure there was enough distance between us. It was a tough race for me and I had to push myself very hard right at last 500m. I did not know that I could become the first gold medalist in this category from Germany, that makes me feel special. Now I am gonna celebrate and then get back to the training sessions as upcoming European Championships in Berlin is a huge motivation for me.

JUDD Jessica (GBR)

Cross Country U23 Women Final - Bronze 20:44.21

I worked really hard to close the gap between me and the German duo. During the 3rd lap I still believed that I can reach them, however I couldn't manage it as I had no power left to speed up. I love the course and I really enjoyed it. It is very cold here and I had difficulties to breath, my legs were also pretty cold in the beginning but I warmed up myself after first lap. I will focus my trainings on the Commonwealth Games which will be held in April 2018.

HAY Hugo (FRA)

Cross Country U23 Men Final - Second 24:36.82

It wasn't easy race for me. In the beginning my legs were not as good as I would expect, however, with every upcoming acceleration I felt better and better. I was running in a pack and I noticed that Mayo from Spain was getting tired so I told myself: Keep pushing. Then I noticed Crippa from Italy was also getting more and more tired, so I told myself again: Keep pushing, you can do something amazing today. It is a first medal for me and I didn't expect I could reach it I was hoping for top 15, so second place is incredible.

GRESSIER Jimmy (FRA)

Cross Country U23 Men Final - Gold 24:34.61

It was very cold today but I am very very happy to become the European Champion. I was trying to be close to the Italian runner Crippa and I waited for a change to speed up and it became real at the last 400m. As a previous football player I was very fast so I decided to change my career and become a runner and now I won a gold medal. I made a pose at the finish line as every football player does it when scoring the goal. I tried to imitate my favorite player Cristian Ronaldo. I always run with the cap, its my style and people in France call me: "Man with the cap".

CRIPPA Yemaneberhan (ITA)

Cross Country U23 Men Final - Bronze 24:41.55

Yesterday at the Press conference I said I want to win and I tried my best today. I felt good, even it was very windy I still wanted to win. During the race somebody kicked me 3 times and I fell, had to get up and run so it took all my power and energy for the last lap. I was not able to speed up at the end. Today was not my best day but I still reach for the medal, even it is not a gold, I am happy. The track is very beautiful, happy to be here.

BAHTA Meraf (SWE)

Cross Country Senior Women Final - Second 27:02.62

This is my second great medal from a senior career, in 2015 ECH Crosscountry I was 3rd and now I have a silver medal so I am very very happy. I felt very strong today, even it was so cold and windy at the course. I still had a power to run faster last meters of the race and I won the sprint against the Norwegian runner, Karoline Grovdal. It was a nice race, I really enjoyed it.

10/12/2017 12:47

CAN Yasemin (TUR)

Cross Country Senior Women Final - Winner 26:47.80

It was not easy race as it is very windy and cold here. The wind was pushing me back. However, I like to keep in my own rhythm - to slow down and speed up whenever I want, so I did not mind I had to run on my own. I kept pushing till the end and I enjoyed my run very much. Tomorrow I will have my 21st birthday so I am happy I gave myself this gold medal present.

10/12/2017 12:51

GRØVDAL Karoline Bjerkeli (NOR)

Cross Country Senior Women Final - Bronze 27:03.13

The beginning was quite fast for me but I tried to keep up with the rest and went front with Meraf Bahta. However, last lap I got very tired and it was difficult for me to speed up at the end of the competition. I was not better than Meraf Batha today but that is ok. I was aiming for medal, so I am satisfied. I already have a collection of 3 medals in the row and that is great. Now I am going to celebrate Christmas and then continue with the training sessions.

MECHAAL Adel (ESP)

Cross Country Senior Men Final - Second 29:53.78

The track is spectacular here, I felt very strong and happy here. I enjoyed the race, was watching my rivals very closely, when one runner felt down and I saw some of them looked tired, I took my chances and I work hard to finish and get the second place. Very satisfied with my silver medal.

10/12/2017 13:29

Özbilen Kaan Kigen (TUR)

Cross Country Senior Men Final - Gold 29:44.84

Last year I finished on the 10th place at the European Cross Country Championships because I was injured. I am very happy I could make it up this year and reach for a gold medal as I am back in the shape and injury free. Anyway it was a tough competition - the cold made the run much harder. I loved the course, it was very special and I even did not mind about the frozen water jumps as they were not too wide. Now I will be preparing for a marathon in Boston.

10/12/2017 13:36

BUTCHART Andrew (GBR)

Cross Country Senior Men Final - Bronze 29:59.13

It is a tough track but I loved it! I don't mind cold or windy, I even like it. The course is very beautiful. Very satisfied with my bronze medal, because it is my first medal so I am enjoying the moment. Of course I wanted to win but it was not meant to be for today.

10/12/2017 13:41

CZECH REPUBLIC (CZE)

Cross Country Mixed Relay Final - Silver 18:24.78

Sasinek: Getting a medal was a goal for us and we did not care so much what colour it would have. Holusa: I chose to run tactically as it was very cold and windy. I was thinking to chase the British relay member, however I decided it would be to risky and that is why I focused on reaching for silver. I was counting on my very fast finish as always and it worked well. This is a first medal from European Cross Country Championships for the Czech Republic and I am very glad we could reach it. Maki: I tried to keep up with British relay but I new their runner is much faster than I am, so I could not managed and try to focus on keeping up with the Spanish relay.
